Subject: Bank of Wal-Mart

I oppose the Wal-Mart Company starting a Bank, because they want to monopolize everything in the world. They have more money than they can ever spend, they don't need to make billions more off of the lower income people and all the people of the world.

I ask the members of the FDIC to attend this hearing. It is of vital importance that you do. You can keep Wal-Mart from getting too big for it's britches.

In the town I live in, already has three banks with two to three branches, for a town of less than 6000, but there are 120,000 in the county. Never the less, we just don't need another bank here. They will try to put one just about everywhere they have a supercenter.

Please don't let them get their way.

Thank you for your time.
